

## Bachelor of Science in Nursing Traditional BSN Track Required Courses

The traditional four-year program was developed primarily for the student interested in a college experience, living on campus and fully participating in campus life. There also is an accelerated program for students who have completed general education requirements that can be completed in five semesters of full-time study.

Course	Course Title	Hours
BIO 121	General Biology I and Lab (SL)	4
BIO 231	Human Anatomy and Physiology I and Lab (SL)	4
BIO 232	Human Anatomy and Physiology II and Lab (SL)	4
BIO 260	Microbiology and Lab	4
