TEAS® EXAM 2009-2010

DATES AND DEADLINES

A Test of Essential Academic Skills

Shenandoah University's Division of Nursing is committed to facilitating students' success. It is for this reason we will use the TEAS (Test of Essential Skills™) exam to evaluate students' academic readiness in key content areas and to appropriately place students in courses. Please pay close attention to the information written below.

The TEAS exam consists of four content areas: Reading, Math, Science, and English and Language Usage. All subtests contain multiple-choice items with one correct answer.

- Math subtest covers whole numbers, metric conversion, fractions, decimals, algebraic equations, percentages and ratio/proportion (45 items, 56 minutes).
- Reading covers paragraph comprehension, passage comprehension and inferences/conclusions (40 items, 50 minutes).
- English and Language Usage subtest measures knowledge of punctuation, grammar, sentence structure, contextual words and spelling (55 items, 65 minutes).
- Science covers science reasoning, science knowledge, biology, chemistry, anatomy, physiology, basic physical principles, and general science (30 items, 38 minutes).

The TEAS exam is produced by Assessment Technologies Incorporated (ATI), a testing company that offers standardized entrance testing and comprehensive examinations for schools of nursing in the United States. The ATI-TEAS is administered online, and the results are available immediately at the conclusion of the test.

Additional TEAS exam sites are available throughout the United States. For information, call 800-667-7531 or go to the ATI Web site at www.atitesting.com.

Registration deadline is two weeks prior to each exam.
