## TEAS EXAM A Test of Essential Academic Skills

The Division of Nursing is committed to facilitating students' success. It is for this reason that we use the TEAS (Test of Essential Skills™) exam as one of the ways to evaluate students' academic readiness for admission to the nursing program. An overall score of 65% is required for admission. Please pay close attention to the information written below.

The TEAS exam consists of four content areas: Reading, Math, Science, and English and Language Usage. All subtests contain multiple-choice items with one correct answer. The test is timed and will last approximately 3 ½ hours.

- **Math** subtest covers whole numbers, metric conversion, fractions, decimals, algebraic equations, percentages and ratio/proportion.
- **Reading** covers paragraph comprehension, passage comprehension and inferences/conclusions.
- **English and Language Usage** subtest measures knowledge of punctuation, grammar, sentence structure, contextual words and spelling.
- **Science** covers science reasoning, science knowledge, biology, chemistry, anatomy, physiology, basic physical principles, and general science.

The TEAS exam is produced by Assessment Technologies Incorporated (ATI), a testing company that offers standardized entrance testing and comprehensive examinations for schools of nursing in the United States. The ATI-TEAS is administered online, and results are available immediately at the conclusion of the test.

Additional TEAS exam sites are available throughout the United States. For information, call 800-667-7531 or go to the ATI Web site at [www.atitesting.com](http://www.atitesting.com).

**TEAS testing will be offered at the following location:**

Shenandoah University  
Health Professions Building  
1775 North Sector Court  
Winchester, Va. 22601
