\*Continuous enrollment for at least one credit is required in fall and spring semesters after initial registration to support completion of the lecture and supporting document. Summer registration is optional. Registration and billing are automatic until the requirement is fulfilled or the student submits a written statement of withdrawal from the curriculum. The course may be repeated for credit, but a maximum of two credits may be used to fulfill degree requirements. Extra CONR requirements may not be used as elective credits.

\*\*The tracking sheet serves as a condensed curriculum requirement reference sheet. Refer to the 2008-09 Graduate Catalog for binding information regarding curricular requirements. Graduation degree audits will be based upon requirements stated in the Graduate Catalog.
