

## Master of Science in Athletic Training: Transcript Self-Evaluation Form

This form has been developed to streamline the admissions process. The information gathered will be used to assess an applicant's completion of prerequisite course work and academic strengths. Please type or print neatly in black ink. Do not list "D's" or "F's" on this form as these courses do not transfer. Quarter hours must be converted to semester hours (sh = 0.67 x quarter hours) and all science courses must be less than 10 years old. Do not enter semester hours (sh), grades or points for incomplete prerequisites but include course number and title, school, expected date of completion and status. This completed form must be submitted with your application packet.
