- Toefl Prep
- LSAT Prep
- ACT Prep
- LSAT Prep
- AP Prep
- 7 Steps to Perfect Scholarship

For those of you who may not be familiar with Career Services, we've compiled answers to a common question:

Q: What exactly do Career Services provide?

A: Here are five key areas Career Services focuses on:

1. Career 15 minute consultation: You can take to learn about your majors and even yourself! This tool gives you facts about thousands of careers, links to resources to help you learn the language of work, and a snapshot of your skills and abilities.

2. Register for Career Services Weekly: Click here to view the Career Services Weekly online. We list job opportunities (some not found in online job posting systems), career fairs, and new this year, internship postings. Sign up today!

3. Visit Career Network: We add new companies weekly from every school. Some of these employers use Internships.com to post their career recruiting information and to alert students via email that new positions are available. If you decide to apply to these employers, be sure to check out the new jobs and careers online, and post your resume for employers to see!

4. Update your resume online: Where participating employers throughout the United States. They also offer internship opportunities they have posted. While they're learning about you, you can be learning about them too. By maintaining an up-to-date resume, you can get an edge on the competition. The Resume and Cover Letter Review can help you refine your skills.

5. Make an appointment for a Mock Interview: Mock Interviews can help you prepare for the real thing. The Career 15 minute consultation can also help you narrow down which occupations to pursue. Our experience will help you improve your chances. Just call 540.665.5412 to schedule an appointment.

Questions or comments? Email us at career@su.edu or phone us in Cooley 314. Our office hours are Monday—Friday, 8:00—11:00 and 1:00—4:00.
