Career Services

Schedule an appointment with Career Services to discuss your career plans! MyPlan.com is a fantastic resource for Shenandoah University students! You can take a series of in-depth assessments to suggest careers just for you! Once you take the tests, the site will even itself! This site offers four basic assessment tools to help you identify your strengths, interests, and skills. 

Four Tools Offered:

1. Industry Assessment - This tool helps you identify industries and occupations that match your interests, skills, and values.
2.技能 Assessment - This tool helps you identify skills, knowledge, and abilities that are important in various industries and occupations.
3. Career Cluster Assessment - This tool helps you identify career clusters that match your interests, skills, and values.
4. Educational Program Assessment - This tool helps you identify educational programs that match your interests, skills, and values.

To access MyPlan.com, go to www.myplan.com and click on the Create Free Account icon. Enter your email and create a password. Click Sign Up for Free at the top of the page to sign up. If you are not already registered, you can also sign up for free at the website.
