3. Choose the link for Register Now.

4. To trigger the tests, the site will learn about your personality, strengths, and weaknesses. The tests will assess you to inform you that you are a perfect fit for careers just for you!

MyPlan.com is a fantastic resource for students to discover careers, majors, and occupations. It is a tool used by students for career exploration and decision-making. It helps you discover careers just for you by using personality, interest, and skills assessments. You can take the tests to learn about your personality, strengths, and weaknesses. The assessments will analyze your preferences and provide insights into careers that align with your interests and skills.

For more information, visit the UVA Fall Job and Internship Fair website at www.collegecentral.com/su. If you are interested in attending, please contact the Career Services Office career@su.edu or call (540) 665-5412 to reserve a spot! The fair is on October 18, 2013, at the Ferrini Room in the Brandt Student Center from 12:00 to 4:00 PM. A van will be leaving from the Bernard J. Dunn School of Pharmacy Career Fair and Residency Showcase at 8:00 AM on Friday, November 1, 2013.

Teach For America is developing a movement of leaders who are determined to close the achievement gap. These leaders start working the moment they get a great education. Teach For America alumni have the power to change things. They are working in 29 states and the District of Columbia, serving alongside communities to help students realize their potential. Teach For America is a public, non-profit organization with affiliated programs in the United States. They also offer internship opportunities to students.

The Group Dynamics Entertainment is looking for students to staff various game stations such as Laser Tag, Reality Gaming, Virtual Reality, and more. They are accepting applications for both positions on an ongoing basis. The positions available are for students with a clean record. They are accepting applications for both positions on an ongoing basis. They are accepting applications for both positions on an ongoing basis.
