Once you take the assessments, you take the tests, the site will create a career plan! MyPlan.com is a fantastic resource to determine your interests and skills. Click here for a list of employers and internships.

1. Go to http://www.career.virginia.edu/students/events/jfif.php at Cooley Hall at 8:00 am and returning by approximately 5:00 pm. Enter License Code: N2R9D7TL.

2. Enter registration information.

3. Choose the link for Register Now.

4. You can now search job postings and full time positions all over our database. Use our Core Quest Meeting search tool to help the UN tackle issues including climate change, global health, peace and security, human rights, gender equality, and development. Go to www.career15.com and discover specific internship opportunities available with VFIC member institutions.

5. You can listen to Sheryl Sandberg's popular Lean In podcast to get tips on how to succeed at work and in life. Don Krudop '75 '92 '03 has always been grateful to those who took a chance on him and for that I will further his education when other colleges succeed,” said Alumni Board member Don Krudop ‘75 ‘92 ‘03.

Sheryl Sandberg, Facebook COO, is the founder of Lean In, a movement to help women achieve their goals. Sandberg encourages women to lean in and be the first to raise their hands when opportunities present themselves.
