Discover and Plan Your Career Path

1. Use MyPlan.com to suggest careers just for you based on your interests, skills and values. After reviewing myPlan.com's database of thousands of careers, majors and job titles, you'll be amazed at the variety of options available. MyPlan.com is a fantastic resource that can help you discover your passions and develop a pathway to achieving your goals.

2. Check out Career Services Weekly. Each week's edition features job and internship opportunities, events and tips to help you advance your career. Perform a search using your major or career interests to find resources relevant to you.

3. Connect with us on Facebook and Twitter! Follow us on social media to receive the latest news and updates from Career Services.

4. Register with CAREER15 at www.career15.com to receive updates about job and internship opportunities that match your interests. CAREER 15 sponsors a national internship database.

5. Create a free account on Internships.com to receive notifications when new opportunities become available. Internships.com can even send you a taste of potentially doing what you love! Internships.com lets you experience a career before you graduate.

6. Check out the Internship Program at Shenandoah University. The program is seeking Tutors/Counselors for a Summer Job Opportunity. The program is funded, six weeks long and includes one on-line posting system to alert students to position opportunities a top priority. ANS is an equal opportunity employer.

7. Visit our website, www.myuniversity.org/careerservices, to learn more about our services and resources. You can also download the Career Services Mobile App from the App Store or Google Play.

8. If you're looking for an internship this summer, visit www.Internships.com and search for opportunities in your field of interest. You'll find a wide range of positions available, from administrative work to sales and marketing.

9. For complete job descriptions, email esteele@frostburg.edu to request more information. We're always looking for qualified candidates to join our team.

10. Remember, the key to success is networking! Attend events and connect with professionals in your field to expand your career opportunities.

11. Visit our website to learn more about our services and resources. You can also download the Career Services Mobile App from the App Store or Google Play.

12. If you're interested in volunteering, visit www.volunteer.org for information on how to find opportunities in your community.

13. To apply for any of the opportunities listed, visit our website or contact us directly. We're here to help you explore your career options and take the first step towards achieving your goals.
