Post Master’s Doctor of Nursing Practice – Family Nurse Practitioner, Psychiatric Mental Health Nurse Practitioner

The Post Master’s Doctor of Nursing Practice FNP or PMHNP track prepares the nurse practitioner with the necessary skills and knowledge to assume the role of a primary health care provider in a variety of settings. The program can be completed in 5 consecutive semesters of part-time study.

Cohorts are established annually in August. All classroom courses are on Wednesday. Clinical placement is arranged by the faculty and will be scheduled at the convenience of the facility hosting the student.
