

Using Zoom in Canvas

Insert a Zoom link into a Canvas page

- From a calendar invitation, copy the link to the Zoom and then Copy URL.

- On the Canvas page (in Edit mode), click the Link Button and insert the link you copied.

Tips:

If you know the meeting number, you can append it to <https://zoom.us/j/MeetingNumber>, and paste it using the Link Button. (The Meeting Number 5514270142 in the first example above.)
