

## Displaying Courses on Your Canvas Dashboard

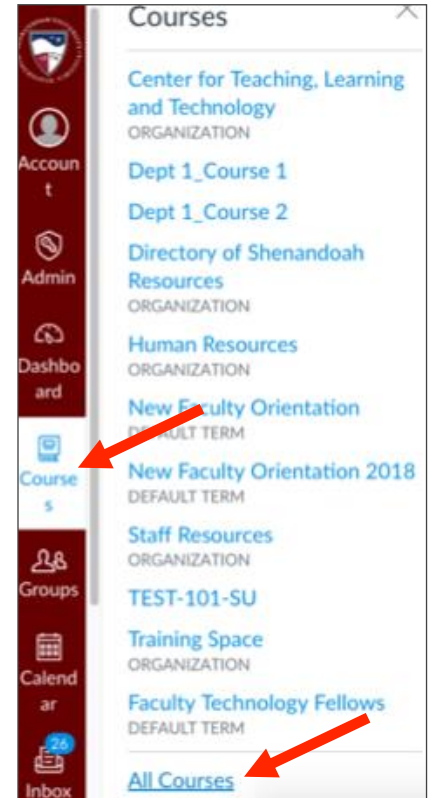

Confirm access to a canvas course or organization and display it on your Dashboard.

1. Login to Canvas
2. Click Courses on the lefthand navigation bar
3. Scroll to the bottom of the resulting list
4. Select All Courses

The resulting list contains all the courses with which your ID is associated.

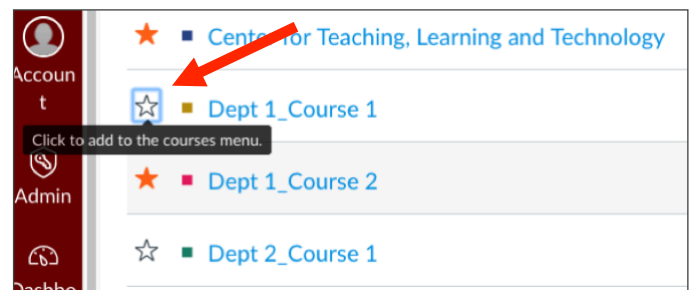

**Note:** If the course that you need is not displayed, please contact the Registrar's Office to confirm your ID is associated with the course.

If you are looking for an organization and do not see it, contact the organization leader and ask to be added.

5. Hover over the course to reveal the instruction *Click to add to the courses menu.*
6. Click the star and the course or organization will be displayed on your Dashboard.

**Note:** Reverse the process to remove a course or organization from your Dashboard.
