

## Document Grader Tool in Canvas

View and annotate a text document (MSWord) that a student uploads to an assignment. Open the assignment and click on SpeedGrader to display the tools.

**Note:** To remove an annotation, click on it with the selector and the delete icon will be displayed.

If you have questions or would like assistance using the Document Grader, please email [ghoffman@su.edu](mailto:ghoffman@su.edu).
