CAMPUS LOCATION: WINCHESTER

DIVISION OF ATHLETIC TRAINING

The mission of Shenandoah University Division of Athletic Training (SUDAT) is to prepare students as professional level Master of Science Degree educated athletic trainers who are reflective practitioners that provide evidence-based, compassionate, and ethical care for the prevention, assessment, acute management and rehabilitation of injuries and disorders of athletes and physically active individuals. Additionally, the Division of Athletic Training provides continuing education courses for certified athletic trainers and advanced education in emerging practice areas.

SUDAT is accredited by the Commission on Accreditation of Athletic Training Education (CAATE).

Students who complete the program are prepared to sit for the Board of Certification (BOC) Examination. Graduates consistently achieve over 98% first-time passing of the board examination.

FACILITIES

The Health & Life Sciences Building opened in fall 2014; the building anchors the south corner of main campus, providing a state-of-the-art facility for the natural sciences and health care education.

The James R. Wilkins Athletic Center is the home of the Shenandoah basketball, volleyball, and track & field teams which offers student-athletes the opportunity to practice, train and receive treatment in all conditions. This facility includes several basketball and volleyball courts, a 6-lane track and a satellite athletic training area.
