# Shenandoah University **Honors Program**

Be Curious. Be Creative. Be Collaborative.

Unleash your passion for learning and advance your career opportunities.

## The Shenandoah University Honors Program

is designed to enhance your undergraduate education through coursework and opportunities developed just for you. Our honors program is open to students with **majors in the College of Arts and Sciences, the School of Business and the School of Nursing**. Our program offers:

- A tight-knit community of curious, intelligent, hard-working and supportive peers.
- Exclusive access to honors seminars designed to explore your personal goals and your role in the community around you.
- Unique social and academic events on and off campus that match your interests.
- Honors sections of general education courses.
- Specialized multidisciplinary honors courses within your declared major.
- Service opportunities within the Winchester and Northern Virginia areas.
- Opportunities to apply for small grants for experiential learning experiences.
