

# Cybersecurity Graduate Certificate

An online, part-time, two-semester professional certificate (12 credits)

## PROGRAM DESCRIPTION

The Cybersecurity Graduate Certificate prepares students for careers in the management of cybersecurity through required courses that align with the CompTIA Security+ certification exam. CompTIA Security+ is a certification that covers best practices in IT security and the essential principals for network security and risk management.

## PROGRAM PREREQUISITES

- Bachelor's degree from a regionally accredited institution – all majors welcome.

## ADMISSIONS REQUIREMENTS

- Graduate Application
- Unofficial transcripts for initial admission from all institutions of higher education previously attended (official transcripts required for full admission)
- Resume/C.V.
- Language Proficiency Requirement must be met. Submission of TOEFL, IELTS, PTE, or Duolingo English Test may be required. See our policy for full details: <https://www.su.edu/admissions/international-students>

## CURRICULUM

The certificate consists of four online courses or 12 total credits. The full program can be completed in two semesters. Certificate students can later apply to the MBA program and use these courses as a concentration for the degree.
