

Master of Science in Nursing: Psychiatric Mental Health Nurse Practitioner

SHENANDOAH[®]
UNIVERSITY

Eleanor Wade Custer School of Nursing

A synchronous online, part-time, 2.5-year professional degree program (46 credits)

PROGRAM DESCRIPTION

The Master of Science in Nursing (MSN) Psychiatric Mental Health Nurse Practitioner (PMHNP) program consists of didactic and clinical course content essential to providing differential diagnosis, health promotion, psychotropic medication management and psychotherapy services across the lifespan in both hospital and community settings. Upon successful completion of the program, the student will be eligible to take the American Nurse Credentialing Center (ANCC) Psychiatric Nurse Practitioner examination.

PROGRAM PREREQUISITES

- A bachelor's degree in nursing (BSN) from a CCNE or an ACEN accredited institution. Recommended 3.0 cumulative GPA.
 - Students whose prior degrees are from non-CCNE accredited schools, must have successful demonstration of AACN level 1 competencies (required by CCNE Accreditation) through Gap Analysis, Syllabi review, Independent Study and/or other observational method.
- Applicants must have completed or will complete the following prerequisite course requirements prior to enrolling at Shenandoah:
 - Undergraduate Health Assessment, Pathophysiology, and Pharmacology courses. Recommended grade of "B" or better.
 - Undergraduate Statistics course with a grade of "C" or better.
 - Undergraduate Chemistry course with grade of "C" or better.

ADMISSIONS REQUIREMENTS

- Graduate Application with \$30 application fee.
- Unofficial transcripts from all institutions for initial admission
- Unencumbered RN license (*multi-state preferred*) in state of residence.
- Current resume/C.V.
- [Documentation of one year of direct patient care](#) prior to specialty courses
- Essay (250-500 words): Why are you choosing to pursue the PMHNP role?
- Three letters of recommendation
 - One from previous faculty (if graduated in the last five years)
 - Two professional references to attest to clinical experience
- Language proficiency must be met. Submission of TOEFL, IELTS, PTE, or Duolingo English Test may be required. See our policy for full details: <https://www.su.edu/admissions/international-students>
- A recorded video introduction/interview will be required.

If admitted, the admission will be provisional until the completion of all required health records, documentation of up-to-date required immunizations, completion and acceptable Criminal Background Check and a negative urine drug screen. Proof of a valid CPR certification from AHA is also a requirement for admission.

FREQUENTLY ASKED QUESTIONS

Review our full FAQ section [on our program page](#).

- **How long will it take to complete the program?**
MSN students typically graduate in seven semesters (including summers).
- **How does Shenandoah help with clinical placements?**
Clinical placement is a collaborative process between the student and the faculty. We try to customize the clinical experience to your needs and wants as much as possible. We have current articulation agreements with several sites but will also look at starting up new contracts with sites if you have a relationship with them already.
- **Do applicants need a Virginia RN license?**
You will need a license in the state where you will practice your clinicals. A multi-state license is recommended if possible.
