UNIVERSITY
Division of Education & Leadership

A Full-time, Two-Year Certificate Program (36 credit hours)

PROGRAM DESCRIPTION

The Professional Studies Certificate (PSC) program for Elementary, Middle, and/or Secondary Teacher Education licensure serves students who want to obtain Virginia Teacher Licensure. These PSC programs are intended to meet the Virginia Department of Education (VDOE) requirements for licensure in at least one endorsement area in which the University offers programs. Elementary licensure is offered for PreK-6, and Middle licensure is offered for grades 6-8. Secondary licensure is offered in Biology, Business Education, Chemistry, English, History/Social Studies, Mathematics, and Spanish. PreK-12 licensure is offered in Health and Physical Education. To complete the PSC, candidates must earn 24-36 credits (depending on endorsement/licensure area). Up to 18 credits earned to complete the PSC may be transferred into the Master of Science in Education – Individualized Focus degree, allowing the candidate to complete both licensure and graduate degree requirements. Students must undergo a Criminal Background Check in order to successfully complete this program.
