

Graduate Programs in Business, Leadership, Education & Technology

2027

WHY SHOULD YOU EARN A GRADUATE DEGREE AT SU?

Graduate degrees, whether in business, leadership, technology, education, the health professions or performing arts, all have one thing in common: they are stepping stones to a better professional future for you.

At Shenandoah University, graduate students arrive with goals in mind: to become better leaders, to further develop their professional expertise, and to more effectively serve their communities.

We believe in empowering you to follow your career path to your chosen destination.

BUSINESS ADMINISTRATION

School of Business

su.edu/business

► Master of Business Administration (MBA)

Combining cutting-edge business education, flexible learning options, and a supportive community, our MBA will propel you toward your career goals with tools you can immediately apply to your work. You will become a successful, principled leader with a global perspective.

Key Features:

- A **customizable MBA** where you can choose your own electives or utilize a certificate as a concentration
- **Graduate assistantships**
- **No GMAT** needed to apply
- Hybrid format includes one face-to-face weekend in each semester or choose our 100% online program for maximum flexibility with options to begin every 8 weeks

Campus Locations:

Hybrid (Winchester)
and Online

Program Length:

12-18 months

Certificate Length:

8 months or longer

Start Terms:

Fall, Spring, &
Summer or every
8 weeks

CERTIFICATES OR CONCENTRATIONS

If you are interested in pursuing a stand-alone certificate, please note that some of these start in the fall term only.

► Business Essentials Certificate

- First step toward a full MBA
- Earn the certificate and later choose to commit to the MBA or use these foundations to advance your career
- Perfect for non-business managers interested in upskilling

**Only available in hybrid (Winchester) format*

► Business Analytics Certificate or Concentration

- Pursue a curriculum designed to cover modern analytical methods and in-demand industry software
- Learn how to apply advanced predictive models as well as model and solve real-life business problems to make optimized decisions

► Cybersecurity Certificate or Concentration

- Gain the business-specific skills necessary to lead in the cybersecurity field
- Course topics align with the CompTIA Security+ Exam

► Digital Marketing Certificate or Concentration

- Learn digital marketing tactics and build a career that will evolve in tandem with the online business ecosystem
- Course topics prepare students for American Marketing Association (AMA) and Google Analytics certification

► Esports Management Certificate or Concentration

- Gain practical knowledge, tools, experiences and connections to advance your esports management career
- Become one of the first in the country to graduate with an academic focus in esports management

► Healthcare Management Certificate or Concentration

- Identify, anticipate, analyze and solve the complex problems facing healthcare organizations
- Provide healthcare organizations with indispensable, adept business guidance

► Sustainable Business Certificate or Concentration

- Discover how to help organizations become more resilient, competitive and reputable by embracing sustainable principles and practices
- Participate in consulting projects with external clients and gain experience through in-house ventures

**Only available in hybrid (Winchester) format*

Air Traffic Control Undergraduate Certificate

- Prepare for a critical, high-demand career as an FAA Tower Air Traffic Controller through a blend of classroom instruction and hands-on simulation
- Gain a competitive edge with direct entry into the FAA hiring process and a clear pathway to a stable, well-compensated career

**Pending SACSCOC approval*

ORGANIZATIONAL LEADERSHIP

School of Business

su.edu/OrgLeadPhD

► Doctor of Philosophy in Organizational Leadership (Ph.D.)

Our Ph.D. in organizational leadership is a low-residency, 60-credit program, designed to appeal to professionals in institutions of public trust such as community-based nonprofits, public and private sector organizations, and higher education.

Key Features:

- **Flexibility in design across all coursework** allows for optimal learning in your specific area of interest in the 60-credit program.
- **Integration of theory** with real-world problems and the learner's professional experience.
- **Individualized focus:** students choose their concentration and capstone project.
- **Low-residency hybrid model:** 2 weekends on-campus per semester and a summer residency (one week duration); all coursework completed online in a supportive online environment that includes synchronous virtual meetings with faculty.

Campus Location:

Hybrid, low-residency;
Winchester & Online
Synchronous

Program Length:

3 years (additional time
for dissertation needed)

Start Terms:

Fall & Spring

► Master of Science in Organizational Leadership (M.S.)

This program is designed for individuals interested in creative, inspirational and ethical leadership in public sector or nonprofit organizations.

Key Features:

- Explore leadership and organizational theory, policy, and finance to support **improved outcomes and organizational effectiveness**
- **Practical experience** creating solutions at your organization of interest
- **Select a concentration** from a variety of potential graduate certificate programs to earn two credentials **or individualize** in consultation with the program director
- Online courses follow an **asynchronous delivery model** in the 33-credit program

su.edu/MSOL

Campus Location:

Online Asynchronous

Program Length:

1 or 2 years

Start Term:

Every 8 weeks

STRATEGIC NARRATIVE COMMUNICATION

College of Arts & Sciences

su.edu/stratcom

► Master of Arts in Strategic Narrative Communication (M.A.)

The 30-credit M.A. in Strategic Narrative Communication program empowers students to craft compelling narratives that captivate audiences and drive meaningful change. This innovative curriculum seamlessly blends narrative theory with hands-on training, immersing students in the art and science of narrative design across diverse mediums and emerging technologies. Students delve into the transformative power of storytelling as a strategic communication tool, learning to build brands, influence audiences and effect change.

Key Features:

- Provides a robust foundation in **narrative principles, audience analysis and multi-platform storytelling techniques.**
- Specialized skills are developed in areas such as integrated marketing, **AR/VR/XR, podcast production, digital illustration, and artificial intelligence.**
- Four masterclasses provide specialized insights and training from **industry experts.**
- The capstone project allows students to collaborate with graphic design experts to craft a **professional portfolio** highlighting their year's work, positioning graduates as industry-ready professionals.

Campus Location:

Online

Program Length:

1 year

Start Terms:

Fall

CYBERSECURITY

School of Engineering & Technology

su.edu/mscybersecurity

► Master of Science in Applied Cybersecurity (M.S.)

Prepare to lead teams of cybersecurity specialists and advance your knowledge of implementing enterprise cybersecurity policies and conducting incident investigations. The curriculum is designed to help you prepare for industry-recognized certification exams, including CompTIA Security+, Certified Ethical Hacker (CEH), and Certified Information Systems Security Professional (CISSP). The applied nature of the program ensures that you are equipped to solve real-world cybersecurity challenges in the modern, dynamic workplace.

Key Features:

- Complete the 30-credit program **fully online**, with virtual labs designed to enhance your practical skills
- Small classes with **12-to-1 student-to-faculty ratio**
- Apply cybersecurity concepts through **hands-on projects**, labs, and incident investigation activities
- Build skills in enterprise security, ethical hacking, digital forensics, and cybersecurity policy

Campus Location:

Online

Program Length:

14 months

Start Terms:

Every 8 weeks

PERFORMING ARTS LEADERSHIP & MANAGEMENT

Shenandoah Conservatory

su.edu/artsmanagement

► Master of Science in Performing Arts Leadership & Management (M.S. PALM)

Our fully online PALM degree prepares future arts executives and artistic leaders with 21st-century industry business skills. The program is intended for students who hold a baccalaureate degree in music, theater, dance or related fields; emerging leaders who hold entry-level arts positions and are seeking to advance their careers; and those looking to change careers to arts leadership and management.

Key Features:

- Graduates have found **management positions with top-tier arts organizations** such as the John F. Kennedy Center for the Performing Arts, Pittsburgh Ballet Theater, Wolf Trap, Opera America, Dallas Summer Musicals, Yale School of Music and many more.
- **Experiential learning and global travel/learning opportunities**
- **Asynchronous courses** accommodate full-time working professionals to complete the 36-credit program according to their needs
- Students who opt to live in the Winchester area can partake in Shenandoah Conservatory options such as **lessons, master classes, and free performances**

Campus Location:

Online

Program Length:

2 years

Start Terms:

Fall & Summer

APPLIED BEHAVIOR ANALYSIS

College of Arts and Sciences

su.edu/ABA

Applied behavior analysis (ABA) is an evidence-based approach to teaching and behavior support that involves analyzing and understanding the unique personal and environmental circumstances that influence and affect one's behavior.

Our ABA programs teach students to provide behavioral and educational support services from a place of compassion with an emphasis on individualized client-centered and assent-based procedures. Students learn how to utilize ABA approaches for a variety of individuals and contexts, including supporting neurodivergent learners, students in the classroom, and employees in business and organizational settings.

Key Features:

- **Designed to accommodate individuals who are employed full or part time**
- Curricula aligned with the Behavior Analyst Certification Board's (BACB's) 6th Edition Test Content Outline
- **BCBA career options include**, but are not limited to: clinical supervisor, school-support personnel, parent trainer, behavior consultant, health coach, researcher, ABA therapist, social worker, human resource consultant, or nonprofit sector work designing behavioral programs
- **\$50,000-\$100,000 starting salary range** for Board Certified Behavior Analysts (BCBAs)
- **Nationally and regionally renowned** faculty mentors
- Certified by the **International Behavior Analysis Organization (IBAO)**, which allows international students to complete the academic requirements to sit for the IBAO's certification exam
- **Fully online program** with classes meeting both asynchronously and synchronously
- **Programs meet behavior-analytic coursework requirements** for BCBA and BCaBA certification under Pathway 2 as outlined by the BACB

► Master of Science in Applied Behavior Analysis (M.S. ABA)

Our ABA master's degree is designed to develop the knowledge, skills and ethical standards necessary to practice competently. Our program consists of 33 credit hours, including 21 credit hours of required coursework, 6 credit hours of electives, and 6 credit hours for a final capstone project. Students arrange their own fieldwork supervision with recommendations and support from SU faculty. During the program, faculty meet with the students to review their supervision progress.

Campus Location:

Online

Program Length:

1.5 years or four semesters

Start Terms:

Fall & Summer

► Graduate Certificate in Applied Behavior Analysis

Our 21-credit, seven-course sequence is designed for students who already hold a master's degree or are currently pursuing a master's degree in another content area. The curriculum includes 21 credit hours of required coursework without an elective or capstone requirement.

Campus Location:

Online

Program Length:

1.5 years or four semesters

Start Term:

Fall

CLINICAL MENTAL HEALTH COUNSELING

School of Health Professions

su.edu/CMHC

► Master of Science in Clinical Mental Health Counseling (M.S.)

Our 60-credit Clinical Mental Health Counseling program provides students with the knowledge and skills to deliver individual and group counseling services grounded in evidence-based practices. Students develop their theoretical orientation through coursework, practicum, and internships and will learn ethical and legal foundations as well as diverse content to work with varied clientele and diagnoses. This degree fulfills the academic requirements to become a licensed professional counselor (LPC) in Virginia.

Key Features:

- **Career growth** expected in substance abuse, behavioral disorders, and mental health counseling, according to the Bureau of Labor Statistics' Occupational Outlook Handbook
- **70% of courses are online with 30% in-person** fieldwork and practicum experiences
- **Collaboration with graduate health professions students** in other disciplines at Shenandoah to understand biological, psychological, social and environmental factors impacting health and development
- Part-time option available for working professionals with classes primarily in the evening

Campus Location:

Hybrid; Winchester & online

Program Length:

2.5 years

Start Term:

Fall

MUSIC THERAPY AND PROFESSIONAL COUNSELING

Shenandoah Conservatory

su.edu/MTC

► Master of Arts in Music Therapy and Professional Counseling (M.A.)

The Master of Arts in Music Therapy and Professional Counseling program integrates clinical mental health counseling and music therapy coursework to provide a comprehensive education emphasizing ethical and culturally responsive treatment strategies. This degree fulfills the academic requirements to become a nationally board certified Music Therapist (MT-BC) and Licensed Professional Counselor (LPC) in Virginia.

Key Features:

- **A combined degree in clinical mental health counseling and music therapy** provides a diversified job outlook by including the integration of job skills in inpatient, outpatient, or residential settings.
- **Career growth is expected in** substance abuse, behavioral disorders, and mental health counseling, according to the Bureau of Labor Statistics' Occupational Outlook Handbook

Campus Location:

Hybrid; Winchester & Online

Program Length:

4.5 years

Start Term:

Fall

We also offer a standalone Master of Music Therapy program.

SCHOOL COUNSELING

School of Health Professions

su.edu/MSSC

► Master of Science in School Counseling (M.S.)

Our 60-credit School Counseling program prepares students to become professional school counselors equipped to support the academic, career, and personal/social development of children and adolescents in PreK-12 educational settings.

The School Counseling program is approved by the Virginia Department of Education and the degree fulfills the academic requirements to become a licensed school counselor in Virginia.

Key Features:

- **Practicum and fieldwork opportunities** to take theoretical skills developed in the curriculum and apply them practically
- School counseling career outlook shows **jobs increasing 5% between 2022-2032**, according to the U.S. Bureau of Labor Statistics
- Program focuses on **social justice** and working closely with schools to ensure **holistic training**
- Option to take an additional 12 credits to become a licensed professional counselor (LPC) to provide wider options for work outside of school systems
- **Part-time option available for working professionals** with classes primarily in the evenings

Campus Location:

Hybrid; Winchester & online

Program Length:

2.5 years

Start Term:

Fall

EDUCATIONAL LEADERSHIP

Division of Education & Leadership

su.edu/education

► **Doctor of Philosophy: Educational Leadership (Ph.D.)**

Our Ph.D. is a part-time, low-residency program designed for experienced professionals in PreK–12, higher education, and education-related fields. Students engage in rigorous research, collaborate with peers and faculty, and explore complex educational issues with the goal of advancing equity, innovation, and leadership in diverse learning environments.

Key Features:

- **Flexible low-residency format** designed for full-time professionals
- **Cohort-based learning** that fosters scholarly community and collaboration
- **Hands-on research mentorship** through faculty-led projects at various stages
- **Global learning experience** with study abroad and international partnerships
- **Concentration options** tailored to:
 - Higher education leadership
 - PreK–12 leadership (VA licensure eligible)
 - Educational leadership (individualized focus area)

Campus Locations:

Hybrid, low-residency;
Winchester or Loudoun
& online

Program Length:

4 years (additional time
for dissertation may be
needed)

Start Term:

Fall

► **Doctor of Education: Educational Leadership (Ed.D.)**

The part-time Ed.D. degree offers innovative, inquiry-based preparation to meet the current realities and future needs of PreK–12 and higher education leaders and their organizations. Mid- and senior-career professionals leverage practical experience, theory, and research skills to analyze and positively impact complex problems of practice. The 50–59 credit degree includes a concentration and culminates with a dissertation research study. This program is a member of the Carnegie Project on the Education Doctorate (CPED).

Key Features:

- **Low-residency model:** Combines three Saturday in-person classes per semester (Winchester or Loudoun) with evening Zoom classes and asynchronous study
- **Cohort-based learning** that fosters scholarly community, peer support, and collaboration
- **Scholarly practitioner research focus**
- **Global learning experience** with study abroad and international exchanges
- **Concentration options** tailored to:
 - Higher education leadership
 - PreK–12 leadership (Virginia licensure eligible)
 - Leadership in education (individualized focus area)

Campus Locations:

Hybrid, low-residency;
Winchester or Loudoun
& online

Program Length:

3 years (additional time
for dissertation may
be needed)

Start Term:

Fall

► **Education Specialist: Educational Leadership (Ed.S.)**

The part-time Ed.S. degree offers innovative, inquiry-based preparation to meet the current realities and future needs of PreK-12 and higher education leaders and their organizations. In this 36-credit program, mid- and senior-career professionals leverage practical experience, theory, and research skills to analyze and positively impact complex problems of practice. This two-year degree is designed for professionals who hold a master's degree and seek advanced preparation in educational leadership. The program culminates with a capstone course.

Key Features:

- **Flexible low-residency model** combines three Saturday in-person classes per semester (Winchester or Loudoun) with weekday evening Zoom classes and asynchronous study.
- **Cohort-based learning** that fosters scholarly community, peer support, and collaboration
- **Scholarly practitioner research focus**

Campus Locations:

Hybrid, low-residency; Winchester or Loudoun & online

Program Length:

2 years

Start Term:

Fall

EDUCATION ADMINISTRATION

Division of Education & Leadership

su.edu/MSED

► **Master of Science in Education (M.S.Ed.): Education Administration**

Our 30-credit program is designed for professionals in Virginia's public and private schools and leads to licensure in administration and supervision, which may also be recognized in other states through reciprocity agreements.

► **Professional Studies Certificate: Administration & Supervision**

Our 21-credit certification program leads to licensure in administration and supervision for professionals in Virginia public schools who already hold a master's degree, and may also be recognized in other states through reciprocity agreements.

Key Features:

- **Expert faculty:** Learn from experienced faculty who are current or former K-12 administrators with deep knowledge of educational leadership and real-world school operations.
- **Cohort-based learning:** Join a supportive cohort that fosters long-term professional relationships and meaningful peer networking across educational settings.
- **Practice-oriented curriculum:** Engage in coursework that connects leadership theory to practical, actionable strategies for solving real-world school challenges.
- **Flexible scheduling:** Choose from two distinct online formats - completely asynchronous coursework for maximum flexibility or live, synchronous classes held in the evenings for professionals seeking collaborative mentorship.
- **Licensure and non-licensure options:** Choose from a state-approved licensure track or a non-licensure pathway tailored for professionals in independent, private, or alternative educational settings seeking leadership development.

Campus Location:

Online

Program Length:

2 years

Start Term:

Every 8 weeks

TEACHER LICENSURE

Division of Education & Leadership

su.edu/education

► Master of Science in Education (M.S.Ed.)

**Individualized Focus*

Our 30-credit program prepares you to earn an advanced degree with an emphasis on your own career or educational goals. Other Division of Education & Leadership certificate credits may be applied toward this master's degree.

Key Features:

- Pair with an **initial teacher licensure** certificate or develop your own program based on your interests
- Research core allows students to design **action-based projects that seek credible solutions** for real on-the-job or situational problems

Campus Location:

Winchester

Program Length:

2 years

Start Terms:

Fall, Spring & Summer

► Master of Arts in Teaching (MAT) – Initial Teacher Licensure

The Master of Arts in Teaching (MAT) program is an intensive, accelerated graduate pathway leading to initial teacher licensure. Courses are delivered in 8-week modules and require consistent engagement, professional responsibility, and readiness for clinical immersion experiences.

Incoming candidates are expected to enter the program with foundational academic preparation, professional skills, and dispositions aligned with the Virginia Department of Education (VDOE) Teacher Competencies (8VAC20-543-80, 2024). Our programs are fully accredited by CAEP. You'll construct an e-portfolio, create a teacher work sample and complete assignments that align directly with real classroom situations.

- Elementary Teacher Licensure, K-6 (42 credit hours)
- Middle School Teacher Licensure, 6-8 (36 credit hours)
- Secondary Teacher Licensure, 6-12 (30 credit hours)
- Secondary school licensure is offered in biology, business, chemistry, history/social studies, English, Spanish and mathematics

Key Features:

- Specific to provisionally licensed individuals who are teachers of record
- Applicants with any bachelor's degree are eligible, no specific major required

Campus Location: Online **Start Terms:** Every 8 weeks

Program Length:

Elementary: 2 years

Twelve 8-week terms

Middle: 1.5 years

Ten 8-week terms

Secondary: 1.5 years

Eight 8-week terms

Graduate Certificate in Anatomy and Physiology

Educators at the secondary or post-secondary level who require graduate-level credits to teach anatomy and physiology can combine this certificate with the M.S.Ed.: Individualized Focus program. This hybrid certificate with face-to-face laboratory experiences provides an understanding of human anatomy and physiology at a level required for clinical medicine.

Learn more at su.edu/apcertificate

► Initial Teacher Licensure Post-Baccalaureate Certificates

You'll complete coursework necessary to earn Virginia licensure and gain 300-500+ hours of hands-on classroom experience through an internship or, if provisionally licensed, mentorship courses. Classes are taught by faculty who hold terminal degrees and K-12 teaching licenses. Our programs are fully accredited by CAEP. You'll construct an e-portfolio, create a teacher work sample and complete assignments that align directly with real classroom situations.

Campus Location:
Winchester or Online
Program Length:
2 years
Start Terms:
Every 8 weeks

- ▷ Elementary Teacher Licensure, K-6
- ▷ Health & Physical Education Licensure, K-12

- ▷ Middle School Teacher Licensure, 6-8
- ▷ Secondary Teacher Licensure, 6-12
Secondary school licensure is offered in biology, business, chemistry, history/social studies, English, Spanish and mathematics

Key Features:

- Designed to accommodate full-time working professionals - can be completed part-time
- Applicants with any bachelor's degree are eligible, **no specific major required**
- Earn a master's degree with your certificate

► Gifted Education Post-Baccalaureate Certificate

This certificate program is a teacher-oriented and inquiry-centered program that addresses the complex field of giftedness through four core courses. These courses use research-based best practices to inform the teachers' decisions, provide guidance in addressing problems they will encounter in educational roles, and present opportunities to effect change in the environment in which they work.

Campus Location:
Online
Program Length:
1 year
Start Terms:
Every 8 weeks

Key Features:

- Courses use **research-based best practices** to inform the teachers' decisions and provide guidance in addressing problems they will encounter in educational roles
- Courses are **asynchronous** with 45 hours of practical experience embedded across the four courses

SU supports teacher and leadership education with affordable tuition prices at \$500 per credit hour.

LITERACY EDUCATION

Division of Education & Leadership

su.edu/education

► Master of Science in Literacy Education (M.S.)

Our 30-credit program is teacher-oriented and addresses the complex field of literacy by offering three core literacy courses for all participants and a choice of concentrations in writing, reading, early literacy, and individual design, with each course of study designed to explore literacy areas in depth.

Campus Location: Hybrid or Online **Program Length:** 2-2.5 years **Start Terms:** Every 8 weeks

► Post-Master's Certificate: Reading Licensure

Our 21-credit certificate for reading licensure serves teachers who already hold a master's degree from a regionally accredited institution of higher education and who want to obtain Virginia licensure as a reading specialist. Each course in the program highlights evidence-based practices in reading and writing instruction.

Campus Location: Hybrid or Online **Program Length:** 1.5-2 years **Start Terms:** Every 8 weeks

Key Features:

- Curriculum includes **community engagement opportunities** such as the Shenandoah Valley Writing Project coursework, and Camp Read-A-Lot
- **Choose from two formats:** a hybrid (Zoom and in-person) cohort model or 8-week, asynchronous online classes.
- Shenandoah has hosted its **annual Children's Literature Conference** attracting top children's authors and illustrators (including multiple Newbery and Caldecott winners) for more than 40 summers. Participation can also lead to continuing education credit.

person & online

SPECIAL EDUCATION

Division of Education & Leadership

su.edu/education

► Master of Science in Education (M.S.Ed.)

► Special Education

Our program prepares pre-service, alternatively licensed, or already certified teachers to meet eligibility requirements for licensure and endorsement in Special Education-General Education Curriculum, K-12.

Campus Location: Online **Program Length:** 2 years **Start Terms:** Fall, Spring & Summer

► Special Education Licensure Post-Baccalaureate Certificate, K-12

Our 30-39 credit K-12 special education graduate certificate serves those who desire Virginia special education teacher licensure through the use of the newest instructional techniques, experiential learning and exposure to information related to classroom management, and instructional strategies for delivery to a K-12 school population.

Campus Location: Online **Program Length:** 2 years **Start Terms:** Fall, Spring & Summer

► Special Education Licensure, add-on endorsement certificates

Teachers completing one of these 15-credit graduate certificates will meet the Virginia Department of Education (VDOE) requirements for grade-banded, add-on endorsement in one of three levels: Special Education Elementary K-6, Middle 6-8, or Secondary 6-12 instruction. Fifty hours of field experiences are embedded in the courses for each endorsement.

Campus Location: Online **Program Length:** 1 year **Start Terms:** Fall, Spring & Summer

Key Feature:

- Emphasis on **practical learning experiences** such as developing lesson plans, IEPs, and behavior assessments, as well as developing a project that enhances home-school connections
