

## **CAREER PREPARATION "GAP ANALYSIS" SURVEY (version 2)**

### **Sent by email to recent alumni/ae**

(graduated from an undergraduate degree at Shenandoah Conservatory between 3-5 years ago)

1. What was your Undergraduate Degree and Year of Graduation?
2. Are you currently employed or in grad school? (If so, what is your current job title, or current graduate program?)

### ***Regarding core courses in your specific degree area***

3. What courses in your specific degree program do you sense have been MOST useful to your career preparation so far?
4. What courses in your specific degree program have proven LEAST useful to your career preparation so far?
5. If you could have added ONE course or topic of study to your degree to strengthen your career preparation, what would that course or topic have been?

### ***Regarding general Conservatory courses (e.g., Theatre History, Music Theory/History, Dance Sciences/History, Ensemble Requirements, etc.)***

6. Were any of the general courses you took in the Conservatory especially helpful to your career preparation? (Please explain why, or why not.)
7. Is there anything that Shenandoah could have done better to prepare you for your career (or further education)?
8. If you were going to start again, would you attend Shenandoah Conservatory? Why or why not?
9. Is there any additional feedback you'd like to share regarding how Shenandoah Conservatory can better prepare students for career success?
