2027-2028 Federal Unsubsidized Loan

Student ID:_____ **Student Name:** _____

On the 2027-2028 FAFSA application you have selected "Yes" to Question 8:

Are the student's parents unwilling to provide their information, but the student doesn't have an unusual circumstance, such as those listed in question 7, that prevents them from contacting the parents or obtaining their information?

Please confirm your response to this question below and submit back to our office, along with the corrected action steps if necessary.

Please check the selection below that applies to you:

☐ **Yes, I wish to be considered for the federal direct unsubsidized loan only. I understand that this means that I will not be eligible for any additional federal financial aid including any federal grant funding or additional loan options, as well as any institutional need-based financial aid.**

☐ ***ERROR ON FAFSA : No, I mistakenly selected "Yes" to this question and will be updating my 2027-2028 FAFSA application to reflect "No". I will be inviting my parent to contribute to my FAFSA application, if applicable.***

NOTE: *If you made an error on your FAFSA, you will need to log back in using your FSA ID and make corrections by answering "No" to the question. You may then need to add your parent(s) information to your FAFSA and both of you will need to sign the application. Once you submit the corrections, the Financial Aid Office will receive your updated FAFSA within 5-7 business days and will review your financial aid eligibility.*
