

## Capstone Dissemination Form

(Please email completed forms to the Doctoral Capstone Coordinator by the end of the Doctoral Internship during Spring quarter. The purpose of this form is to ensure that the student has identified an appropriate audience for dissemination of the Capstone project. Dissemination must include the Doctoral Internship site and constituents as appropriate, and may include the presentation of a poster at the SUpr Summit in the Spring semester, manuscript completion and submission for publication, or creation of a continuing education course or workshop.)
