

LEVEL I FIELDWORK COMPETENCY EVALUATION FOR OT AND OTA STUDENTS

Introduction

The purpose of Level I fieldwork is to provide experiential opportunities for students to gain the performance competency and confidence for progressing successfully in the academic program, including successive Level I and Level II fieldwork.

The Level I Fieldwork Competency Evaluation for OT and OTA Students complements the AOTA Fieldwork Performance Evaluation for the OT Student and for the OTA Student. It is designed to assess performance skills that build a foundation for successful completion of Level II fieldwork.

This tool is divided into five sections:

- I. Fundamentals of Practice
- · II. Foundations of Occupational Therapy
- III. Professional Behaviors
- IV. Screening and Evaluation
- V. Intervention

The first 3 sections are identified as mandatory, as they are applicable to all practice settings and assess basic skills. The last 2 sections are *optional*, allowing an OT/OTA academic program to select relevant sections for a particular Level I experience in that program. The AFWC should make this clear to the FWEd. The criterion for satisfactory performance is determined by the OT/OTA academic program.

Directions

This tool is to be completed by the identified FWEd for the Level I experience.

The rating scale ranges from

U	Unacceptable	Performance is weak in most required tasks and activities. Work is frequently unacceptable.
В	Below Standards	Opportunities for improvement exist; however, student has not demonstrated adequate response to feedback. Performance is occasionally unacceptable.
М	Meets Standards	Carries out required tasks and activities. This rating represents good, solid performance and should be used most often.
E	Exceeds Standards	Frequently carries out tasks and activities that surpass requirements. At times, performance is exceptional.
0	Outstanding	Carries out tasks and activities in consistently outstanding fashion. Performance is the best that could be expected from any student.

COMMENT REQUIRED FOR ALL ITEMS SCORED "B" or "U."
