GENWORTH GROUP LONG TERM CARE INSURANCE PROGRAM

## Group Long Term Care Insurance

### PLAN FOR YOUR FUTURE-

It covers expenses for long term care services received at home, in the community or in a nursing facility. Here are a few quick points to consider:

Neither health nor disability insurance will cover this kind of care.  
Relying on government programs may not be a viable solution.

### PROTECT YOUR ASSETS-

Without insurance, the costs of these services may have to come out of your savings or income.

### PROTECT THOSE WHO CARE FOR YOU -

Family members often take on new responsibilities based on care needs. Caring for a loved one who becomes chronically ill can take a toll, not only financially but also physically and emotionally.
